ČIŠĆENJE I ODRŽAVANJE

Održavajte I čistite svoju kabinu redovito kako bi spriječili nastanak kamenca I problema prilikom zatvaranja.

Čišćenje tuš kabine vršite s mekom krpom I blagim deterгентom.

Kabinu ne čistite s agresivnim sredstvima kao što su alcohol, benzin ili ostala kemijska sredstva.

Nakon što je kabina postavljena ukoliko prilikom otvaranja/zatvaranja vrata škripe možete sredstvo za podmazivanje staviti na valjak kotača , profil.
